

**BENGT & LOTTA AB**  
SWEDISH DESIGN SINCE 1990

**Bengt & Lotta AB**  
is Bengt Lindbergs and  
Lotta Glaves co-owned  
company. Together they  
present a collection of  
decorative everyday  
objects.

**Lotta Glave**  
(MFA of Graphic Design & Illustration at  
National College of Arts Craft & Design)  
is an illustrator and designer.  
Her collection of angels and  
people is constantly developing.  
"I want my objects to express  
humor and happiness. I want  
them to feel unique and  
different."

**Bengt Lindberg**  
(MFA of Graphic Design & Illustration at  
National College of Arts Craft & Design)  
is a designer and illustrator. In 1990  
he designed his first cow. A candle-  
holder made of iron, that has since  
been accompanied by moose, sheep  
and horses.  
"Finding new ways to present  
traditional designs is important to  
me. My design are rooted in Swedish  
folk art and reflect a desire to play  
with creativity."
